#### **NOTES:**

1. ADUs are generally considered "dwelling units" as defined in District Ordinance No. 17 and will be subject to annual sewer service charges (SSCs). SSCs are collected on the property tax rolls. A pro-rated SSC will be due prior to District approval of a Certificate of Occupancy from that date until the following June 30<sup>th</sup>.
2. Any work or modification to exterior sewer lines and laterals requires a Sewer Construction Permit from the District and is subject to inspection.
