Gerald Velasco, President  
Board of Directors  
Carpinteria Sanitary District

**SUBJECT: Annual Comprehensive Financial Report – June 30, 2024 and 2023**

Dear President Velasco:

This letter transmits the Annual Comprehensive Financial Report (ACFR) for the Carpinteria Sanitary District for the fiscal years ended June 30, 2024 and 2023.

State law requires that the accounts and fiscal affairs of all government entities be examined annually by an independent certified public accountant. The District's independent auditing firm, Fechter & Company has audited the District's financial statements, examined internal control, and issued an unmodified opinion that the financial statements for the 2023/24 fiscal year are fairly presented in conformity with generally accepted accounting principles. Because the cost of internal controls should not exceed anticipated benefits, the objective is to provide reasonable assurance rather than absolute that the financial statements are free of any misstatements. This opinion, along with the basic financial statements of the District, are hereby submitted and included in the financial section of this report in fulfillment of the above requirement.

Responsibility for accuracy of data and fairness of presentation, including all footnotes and disclosures, rests with District management. We believe the data presented is accurate in all material respects and that it is presented in a manner designed to fairly set forth the financial position and results of operations of the District. The audit provides users with a reasonable assurance that the information presented is free from material misstatements.

Generally accepted accounting principles require that management provide a narrative introduction, overview, and analysis to accompany the basic financial statements in the form of a Management Discussion and Analysis (MD&A). This letter of transmittal is designed to complement the MD&A and should be read in conjunction with it. The District's MD&A can be found in the Financial Section of this document, immediately following the report of the independent auditor.

## **ORGANIZATION OVERVIEW**

The Carpinteria Sanitary District provides wastewater collection, treatment and disposal for the City of Carpinteria and neighboring unincorporated portions of Santa Barbara County. The District was originally formed in April of 1928 and has grown to serve approximately 12,700 permanent residents and a large visiting population.

The District has five board members that are elected at large and a General Manager who serves as Chief Executive Officer. The District Board of Directors meets on the first and third Tuesday of each month at 5:30 p.m. in the District's Administrative Offices. The District Board of Directors, committee members, and support staff are as follows:

### **BOARD OF DIRECTORS**

Gerald Velasco	President
Debbie Murphy	President Pro Tem
Lin Graf	Secretary
Mike Modugno	Secretary Pro Tem
Mike Damron	Treasurer

### **STANDING COMMITTEES**

#### **Finance Committee**

-------------	--------------------------------

## **FINANCIAL INFORMATION**

The Annual Comprehensive Financial Report includes all financial activities of the District and the Statement of Fiduciary Assets and Liabilities of the Custodial Funds (Pension Trust Fund and Assessment District 2007-1).

The District's accounting records are maintained on an accrual basis. Revenues are recorded when measurable and available. Expenditures are recorded when the liability is incurred. The annual budget serves as the foundation for the District's financial planning and control. The budget is to be adopted annually by resolution, generally in June of each year for the following 12 month period. The District's budget provides a fiscal guideline for each department, as well as an annual framework for capital improvements throughout the District. To ensure funds are available for approved capital projects, the Board of Directors authorizes a transfer from the general fund to the Capital Improvement Program (CIP) fund as a part of the budget process.

The District's investment policy establishes three key objectives for placement of District funds. In order of importance these objectives are: safety (preservation of principal), liquidity, and overall return. Accordingly, the Board has identified the California Local Agency Investment Fund (LAIF) as the District's primary investment vehicle. Investing in LAIF additionally satisfies all debt service indentures for the reserve fund.

The District is a member of the California Sanitation Risk Management Authority (CSRMA), a joint powers agency made up of over 60 wastewater agencies throughout the State. CSRMA implements self-insured pools for general liability and workers' compensation insurance and, through a program administrator and broker, provides other forms of insurance to its members. The District benefits significantly through CSRMA participation when compared to obtaining coverage in the open market.

## **OTHER FINANCIAL INFORMATION**

In 1993, the District issued \$19,250,000 in municipal revenue bonds known as the "1993 Capital Facilities Revenue Securities" to fund a major upgrade to its wastewater treatment facility. In 2003, the District refinanced the outstanding debt with lower interest rates. Again in 2012, taking advantage of a favorable municipal interest rate environment, the District refinanced the outstanding debt and concurrently issued \$4.5M in long term debt to partially fund the Aerobic Digester Replacement Project. Currently, annual bond payments are approximately \$1.18M in aggregate. The schedule of debt service payments is available in the statistical section of the CAFR. Bond payments are due in February and August of each year. The coupon rates range between 2% and 5% per year.

One of the principal bond covenants for the outstanding obligation requires the District to maintain revenue to debt coverage ratio of 1.25. This means that the District must set rates, fees and charges for the services provided to its customers that, when added to the projected property tax revenue for a given fiscal year, total revenue is at least equal to 125% of the aggregate amount of principal and interest on the Bonds and any parity obligations coming due and payable during that year.

On December 15, 2020, the District adopted Resolution No. R-342, formally approving a loan agreement with J.P. Morgan Chase Bank, N.A, to finance the Administration Building Replacement Project. This private placement public financing agreement provides a fixed interest rate of 1.77 percent over a 15-year term. In parity with the 2012 revenue bonds, a debt coverage ratio of 1.25 also applies to this long-term debt.

Assessment District No. 2007-1 was formed by the District in 2008 to fund the South Coast Beach Communities Septic to Sewer Project. In March 2009, the District issued and sold approximately \$6M in limited obligation improvement bonds, secured by properties within Assessment District 2007-1 whose owners opted for long term financing. The assessment bonds were refunded in July 2012 to achieve lower interest rates. The District collects annual assessments from participating property owners to pay the debt service on the outstanding bonds.

## **FINANCIAL CONDITION AND LONG RANGE PLANNING**

The District began the current fiscal year (2024/2025) with cash and cash equivalents balance of approximately \$11.3M and a current liability of approximately \$1.5M. Annual revenue of approximately \$7.2M is projected, with an estimated operating, non-operating, and capital improvement expenditures totaling approximately \$7.9M, excluding depreciation. The projected ending balance of cash and cash equivalents for FY 2024/25 will be approximately \$10.9M, assuming all authorized capital improvements are completed and paid for.

Sewer service charges, which are the District's primary source of revenue, are collected by the County of Santa Barbara and County of Ventura through the property tax billing system. Approximately ten percent of regular District revenue comes from allocated increment of secured and unsecured property tax. Permanent reapportionment, although currently prohibited by the State Constitution, would have serious implications to the District's financial condition. The District has been able to meet the 125% debt ratio set forth as a covenant of its long term revenue bond debt obligation each year, without exception.

During 2021/22 FY, an updated rate study was performed that recommended an incremental sewer service charge increase of 3% per year for five years commencing in FY 2022/23. Based on the comprehensive study, the structured rate increases were approved by the District's Board of Directors with adoption of Ordinance No. 17. Sewer service charge revenue is expected to increase proportional to the 3 percent annual rate increases through FY 2026/27.

The financial condition of the District will continue to be carefully monitored by District staff and the Board of Directors. Long range financial planning and careful budgeting are crucial to maintaining the financial health of the organization.

## **AWARDS AND ACKNOWLEDGEMENTS**

Government Finance Officers Association of the United States and Canada (GFOA) awarded a Certificate of Achievement for Excellence in Financial Reporting to Carpinteria Sanitary District for its annual comprehensive financial report for the fiscal year ended June 30, 2023. In order to be awarded a Certificate of Achievement, a government must publish an easily readable and efficiently organized annual comprehensive financial report. This report must satisfy both generally accepted accounting principles and applicable legal requirements.

A Certificate of Achievement is valid for a period of one year only. We believe that our current annual comprehensive financial report continues to meet the Certificate of Achievement Program's requirements and we are submitting it to GFOA to determine its eligibility for another certificate.

Preparation of this report was accomplished through the team effort of the District's Administration Department. We wish to express our thanks and appreciation to the President, members of the Board of Directors, and staff for their leadership, interest, and continued support in planning and conducting the financial and wastewater operations of the District in a responsible and prudent manner in the best interests of the customers of the District.

Respectfully submitted,  
CARPINTERIA SANITARY DISTRICT

Kim Garcia  
District Administrator

## **CARPINTERIA SANITARY DISTRICT**

### **Demographic & Economic Information**

#### **District Overview**

The Carpinteria Sanitary District was formed in April 1928 for the purpose of providing sewage facilities and related services to properties located within the District. The District is located in the southern part of Santa Barbara County. The District's service area includes the City of Carpinteria and outlying unincorporated areas, including a small portion of unincorporated area in Ventura County.

#### **Nature of Services:**

The District provides wastewater collection and treatment for 6,315 residential units and about 550 non-residential customers.

Miles of sewer:	45 miles (excluding house laterals)
Miles of Force Mains:	2.74
Miles of Low Pressure Sewer:	2.03
Number of Pumping Stations:	8
Types of Terrain:	Level along ocean sloping 2-3 degrees toward foothills
Treatment Plant Capacity:	2.5 MGD
Fees Per Ordinance 17:	Residential: \$800.70 annually  Non-Residential: Classified into six classes; charges range between \$12.00 – \$18.75 per 1000 gal with a minimum charge of \$777.37 per parcel
Population in 2024:	12,744
Businesses in 2024:	557
Rainfall in 2023/24:	26.61 inches
Crime:	The number of violent crimes recorded in 2023/24 was 15. The number of murders and homicides was 0.
Local Festival:	Avocado Festival in October

## INDEPENDENT AUDITOR'S REPORT

Board of Directors  
Carpinteria Sanitary District  
Carpinteria, California

### Report on the Audit of the Financial Statements

#### ***Opinions***

We have audited the accompanying financial statements of the business-type activities and fiduciary fund information of the Carpinteria Sanitary District, as of June 30, 2024 and 2023 and the related notes to the financial statements, which collectively comprise the District's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the business-type activities and the fiduciary fund information of Carpinteria Sanitary District, as of June 30, 2024 and 2023, and the respective changes in financial position, and, where applicable, cash flows thereof for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### ***Basis for Opinions***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Carpinteria Sanitary District and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

#### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Carpinteria Sanitary District's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

***Auditor's Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Carpinteria Sanitary District's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Carpinteria Sanitary District's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Required Supplementary Information***

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis on pages 4 through 11, the California Public Employees' Retirement System Schedule of Proportionate Share of Net Pension Liability and the California Public Employees' Retirement System Schedule of Contributions on page 47 be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

***Other Information***

Management is responsible for the other information included in the annual report. The other information comprises the introductory and statistical sections but does not include the basic financial statements and our auditor's report thereon. Our opinions on the basic financial statements do not cover the other information, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the basic financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the basic financial statements, or if the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

***Other Reporting Required by Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated February \_\_, 2025, on our consideration of the Carpinteria Sanitary District's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Carpinteria Sanitary District's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Carpinteria Sanitary District's internal control over financial reporting and compliance.

Fechter & Company,  
Certified Public Accountants

Sacramento, California

# CARPINTERIA SANITARY DISTRICT

## Management's Discussion and Analysis (Unaudited) June 30, 2024 and 2023

This section of the financial statements for the Carpinteria Sanitary District (the District) is a narrative overview of the financial activities during the fiscal years ended June 30, 2024 and 2023. The information presented here is to be considered in conjunction with additional information provided in the letter of transmittal located in the introductory section of this report.

The Carpinteria Sanitary District provides wastewater collection, treatment, and disposal for the City of Carpinteria and neighboring unincorporated portions of Santa Barbara and Ventura Counties. The District was originally formed in 1928 and has grown to serve approximately 12,700 permanent residents and a large visiting population.

### FINANCIAL HIGHLIGHTS FOR FISCAL YEAR 2024

- At June 30, 2024, the assets and deferred outflows of the District exceeded its liabilities and deferred inflows by \$42,402,453. Of this amount, \$2,498,611 is restricted and \$30,294,754 represents the District's net investment in capital assets. The remaining \$9,610,088 is unrestricted. At the end of the prior fiscal year, on June 30, 2023, the assets of the District were \$40,898,665 greater than its liabilities, with \$7,106,193 being reported as unrestricted.
- During the fiscal year ended June 30, 2024, the District's net position increased by \$1,476,109, or about 3.6%. The increase is the net result of a \$77,396 increase in assets, an decrease of \$1,010,686 in liabilities and a net \$451,347 decrease in deferred inflows/outflows.
- The District's current liabilities, which include upcoming debt service obligations, wages payable, and outstanding accounts payable, decreased by \$34,512, or 2.2%, at June 30, 2024. These decreases follow an increase in 2023 of \$208,819 or 11.7%.
- Long-term liabilities, which consist of outstanding bond debt, note payable, compensated absences, and net pension liability decreased by \$976,174 or 8.4%. This follows 2022/23 where these amounts increased by \$498,940, or 4.5%. The overall change is the result of completion of projects and the paydown of principal on outstanding debt coupled with the current year pension activity under GASB 68.
- Debt service payments, including principal and interest, on outstanding bonds totaled \$1,352,423 in 2023/24 and \$1,439,734 in 2022/23. The debt service payments represent approximately 21% and 23% of the District's operating revenue respectively and conform with applicable debt ratio covenants.

# CARPINTERIA SANITARY DISTRICT

## Management's Discussion and Analysis (Unaudited) June 30, 2024 and 2023

### OVERVIEW OF THE BASIC FINANCIAL STATEMENTS

This Management Discussion and Analysis (MD&A) is a key element of the District's annual audited financial statements that are prepared in accordance with the Governmental Accounting Standards Board Statement 34 (GASB 34). The MD&A also includes other supplementary information to the basic financial statements.

The District's accounting system is configured as an enterprise fund, similar to private sector accounting systems. Operating expenses are stated as expenses and capital expenses are capitalized and depreciated over the life of the item in accordance with District fiscal policy.

In accordance with GASB 34, the District's financial statements include:

- **Statements of Net Position**

The statements of net position include all of the District's assets, deferred outflows, liabilities, and deferred inflows, and provides information about the nature and amount of investments in resources (assets) and the obligations to creditors (liabilities). The District's financial statements include a line item that reflects the agency's net pension liability which was \$3,306,071 as of June 30, 2024 and \$1,351,807 as of June 30, 2023. Reporting this liability is a requirement set forth in GASB 68 that has been in place since 2015. The reported net pension liability is determined by an actuarial valuation study performed by CalPERS.

- **Statements of Revenues, Expenses, and Changes in Net Position**

The statements of revenues, expenses, and changes in net position measure the success of the District's operations during the reporting period. The District's supplemental revenue, which includes property tax and other miscellaneous income, is also reported in this section.

- **Statements of Cash Flows**

The financial statements also consider and present cash flow information for the fiscal year. The statement reports cash receipts, cash payments, and net changes in cash resulting from operations and investments during the fiscal year.

# CARPINTERIA SANITARY DISTRICT

## Management's Discussion and Analysis (Unaudited) June 30, 2024 and 2023

### STATEMENTS OF NET POSITION

The District's net position increased by 3.7% during the 2023/24 fiscal year to \$42,403,453 which follows an increase of 3.9% during fiscal 2022/23 to a total of \$40,898,665. Of the assets on hand at June 30, 2024, \$30,294,754 was restricted in net investment in capital assets, debt service \$6,177 and \$2,492,434 for future construction. The remaining \$9,610,088 was unrestricted. The following table provides a summary of the District's assets, deferred outflows, liabilities and deferred inflows as compared to the two prior fiscal years.

Summary of Net Position is as follows at June 30, 2024, 2023 and 2022

	2024	Dollar Change	Percentage Change	2023	Dollar Change	Percentage Change	2022
<b>Assets:</b>							
Current assets	\$ 12,395,957	\$ 2,240,545	22.1%	\$ 10,155,412	\$ (2,210,714)	(17.9%)	\$ 12,366,126
Restricted assets	2,498,611	(1,578,190)	(38.7%)	4,076,801	2,911,148	249.7%	1,165,653
Long-term assets	38,703,754	(584,959)	(1.5%)	39,288,713	(365,295)	(0.9%)	39,654,008
Total Assets	53,598,322	77,396	0.1%	53,520,926	335,139	0.6%	53,185,787
Deferred Outflows:	1,475,105	(31,660)	(2.1%)	1,506,765	738,215	96.1%	768,550
<b>Liabilities:</b>							
Current liabilities	1,510,583	(63,192)	(4.0%)	1,573,775	(208,819)	(11.7%)	1,782,594
Long-term liabilities	10,601,588	(976,174)	(8.4%)	11,577,762	498,940	4.5%	11,078,822
Total Liabilities	12,112,171	(1,039,366)	(7.9%)	13,151,537	290,121	2.3%	12,861,416
Deferred Inflows:	557,802	(419,687)	(42.9%)	977,489	(770,716)	(44.1%)	1,748,205
<b>Net Position:</b>							
Net investment in capital assets	30,294,754	579,083	1.9%	29,715,671	809,663	2.8%	28,906,008
Restricted for debt services	6,177	-	0.0%	6,177	309	5.3%	5,868
Restricted for construction	2,492,434	(1,578,190)	(38.8%)	4,070,624	2,910,839	251.0%	1,159,785
Unrestricted	9,610,088	2,503,895	35.2%	7,106,193	(2,166,863)	(23.4%)	9,273,056
	<u>\$ 42,403,453</u>	<u>\$ 1,504,788</u>	<u>3.7%</u>	<u>\$ 40,898,665</u>	<u>\$ 1,553,948</u>	<u>3.9%</u>	<u>\$ 39,344,717</u>

The District's current unrestricted assets, which reflect the agency's available cash and cash equivalent balance, increased by \$2,503,895, or 35.2%, during the year ended June 30, 2024 compared to a \$2,166,863 decrease during the year ended June 30, 2023.

In 2023/24, the District decreased restricted cash by \$1,578,190 or 38.8% compared to the prior year when restricted assets increased by \$2,911,148, or 249.7%.

Total capital assets	<u>\$ 38,703,754</u>		<u>\$ 39,288,719</u>		<u>\$ 36,416,376</u>

The District continues to review its capital asset inventory each year and remove the items that are obsolete and are no longer in use, or have been declared surplus and disposed.

The District purchases and constructs capital assets throughout the year. When capital improvements and/or procurements are completed and related expenditures made, the amounts are recorded as Capital Improvement Projects (CIP). In the year of completion, the project is transferred into the appropriate capital asset classification. During the year ended June 30, 2024, the District's total capital assets decreased by \$584,965 or 1.5%.

During the year ended June 30, 2024, the District completed several capital projects including:

- Lift Station No. 2 Structural Rehabilitation
- Grit Pump Replacement
- Lower Lateral Rehabilitation
- Plant Air Compressor Replacement
- Server Replacement Project
- Manhole Rehabilitation

# CARPINTERIA SANITARY DISTRICT

## Management's Discussion and Analysis (Unaudited) June 30, 2024 and 2023

### REVENUE

The District receives revenue from five discrete sources each year, categorized in the above Statement of Revenues, Expenses, and Changes in Net Position as operating revenue and non-operating revenue. The figure below shows the breakdown of the District's combined revenue on a percentage basis.

As previously mentioned, the District utilizes an enterprise system to account for the operations of the District. This allows the District to determine that the costs of providing service, including depreciation and amortization expenses, are being recovered through user charges and property tax revenue.

The total revenue from Sewer Service Charges (SSC) collected in fiscal year June 30, 2024 was \$6,343,655, which represents an increase of \$153,301 over the previous year's amount of \$6,190,354. The increase in revenue is attributed to a 3% serial rate increase commencing in fiscal year 2022/23 and continuing for the subsequent 5-years (2026/27). SSC revenue represented 82.26% of the District's operating revenue for fiscal year 2023/24 down from 84.63% in 2022/23 and up from 72.34% in 2021/22.

Revenue in the Property Tax category has stabilized in the past two years as property values have stabilized and generated higher property tax revenue. Interest earnings increased from the prior year, as interest rates for reserve deposits held in the Local Agency Investment Fund (LAIF) escalated throughout the fiscal year ending at 4.55% at June 30, 2024.

### Management's Discussion and Analysis (Unaudited) June 30, 2024 and 2023

#### EXPENSES

The District's operating expenses for fiscal year ended June 30, 2024 increased by \$312,786 or 5.5% from the prior year. The following table provides additional details on the District's annual operating expenses, compared to fiscal year ended June 30, 2023.

Expense Category	Year Ended June 30, 2024	Year Ended June 30, 2023	\$ Increase (Decrease)	% Increase (Decrease)
Salaries and wages	\$ 1,898,174	\$ 1,707,534	\$ 190,640	11.16%
Employee benefits	882,409	1,186,609	(304,201)	-25.64%
General operating expenses	317,287	314,264	3,023	0.96%
Environmental and monitoring	73,105	52,359	20,746	39.62%
Utilities	329,069	300,196	28,873	9.62%
Sludge disposal	162,963	147,982	14,981	10.12%
Supplies and equipment	246,914	154,028	92,886	60.30%
Repairs and maintenance	566,020	286,372	279,648	97.65%
Professional and contract services	151,062	227,209	(76,147)	-33.51%
Depreciation expense	1,323,311	1,280,088	43,223	3.38%
Other expenses	16,400	25,966	(9,566)	-36.84%
Total operating expenses	\$ 5,966,713	\$ 5,682,607	284,106	5.00%

#### DEBT ADMINISTRATION

In December 2020, the District completed a public financing transaction with J.P. Morgan Chase Bank, N.A. to finance its Administration Building Replacement Project. The Board authorized the \$4,000,000 financing with adoption of Resolution No. R-342. The financing, which closed successfully on December 18, 2020, resulted in a loan with a fixed interest rate of 1.77% over a 15-year term, with annual debt service payments of approximately \$300,000. Additional details can be found in Note 7 to the financial statements.

During fiscal year 2012/13, the District took advantage of a favorable interest rate environment and completed a refunding transaction for the outstanding 2003 Revenue Refinancing Bonds. The District Board concurrently authorized issuance of an additional \$4,500,000 in new municipal bonds to finance the Aerobic Digester Replacement Project. While the term of the prior debt was not extended, the new debt was amortized over thirty years. The District's 2012 Wastewater Revenue Bonds have an annual debt service obligation that is approximately \$1,180,000 through 2026. The payment will decrease to approximately \$240,000 per year for the subsequent seventeen annual periods.

# **CARPINTERIA SANITARY DISTRICT**

## **Management's Discussion and Analysis (Unaudited) June 30, 2024 and 2023**

The District's outstanding long-term indebtedness as of June 30, 2024 is \$8,409,000. This is inclusive of the District's \$4,000,000 loan for the construction of the administration building. Interest rates for the 2012 Wastewater Revenue Bonds range between 2 to 5 percent per year. The schedule of payments is available in the statistical section of the financial statements. For more detailed information, also refer to Note 7 of the Financial Statements.

During fiscal year 2008/09, the District issued \$6,053,439 in Limited Obligation Improvement Bonds to provide a long-term funding mechanism for homeowners participating in a large septic to sewer conversion project. The Bonds are secured by assessments levied on parcels within the Assessment District. The Bonds are not general obligations of the District. Therefore, these bonds are not reflected as debt in the District's financial statements. During fiscal year 2012/13, the District also refinanced these Limited Obligation Bonds with significantly lower interest rates. The refinancing reduced the debt service payments by approximately \$95,000 per year. NBS Local Government Solutions has been the bond administrator for the Assessment District since inception. Administration fees are added to the yearly assessments and levied to properties participating in the financing.

### **ECONOMIC FACTORS AND NEXT YEAR'S BUDGET AND RATES**

- The unemployment rate within the City of Carpinteria is reported to be 5.3%, which reflects a continuing trend of tight labor markets. The District is experiencing serious challenges hiring qualified staff given this situation, coupled with exorbitant housing costs in the region.
- Inflation has continued to put pressure on the District's bottom line. The cost of goods and services has continued to escalate in the post COVID environment. Construction costs continue to eclipse budget estimates, particularly those for long range capital plans.
- During 2021/22 FY, a new rate and fee study was performed that recommended an incremental increase in sewer service charges of 3% per year for five years commencing during fiscal year 2022/23. Based on the comprehensive rate and fee study, the structured rate increases were approved by the District's Board of Directors. Sewer service charges revenue are expected to increase proportional to the 3% annual rate increases through fiscal year 2026/27. The revenue adjustments were necessary to fund operating expenses, capital expenses and debt service obligations while meeting ratio requirements set forth in outstanding bond covenants. In recent years, cost escalation has exceeded projections made in the fee study.

### **CONTACTING THE DISTRICT'S FINANCIAL MANAGEMENT**

This financial report is designed to provide the District's customers, creditors, and other interested parties with a general overview of the District's finances and to demonstrate the District's accountability for the money it receives. If you have questions about this report or need additional financial information, contact Ms. Kim García, the District Administrator, in writing at 5300 Sixth Street, Carpinteria, California 93013, or by telephone at (805) 684-7214, extension 111.

# CARPINTERIA SANITARY DISTRICT

## Notes to Financial Statements June 30, 2024 and 2023

### Note 1: Reporting Entity

The Carpinteria Sanitary District was formed in April 1928 for the purpose of providing sewage facilities and related services to properties located within the District. The District is located in the southern part of Santa Barbara County, California, and generally comprises the City of Carpinteria and adjoining areas. The District is governed by a board of directors consisting of five members elected at large. The directors serve without compensation except for nominal fees paid for attendance at District board and committee meetings.

The Board of Directors meets the first and third Tuesday of each month. The District's reporting entity is defined as follows: (a) the primary government (District), (b) organizations for which the primary government is financially accountable, and (c) other organizations for which the primary government is not accountable, but for which the nature and significance of their relationship with the primary government are such that exclusion would cause the reporting entity's financial statements to be misleading or incomplete.

### Note 2: Summary of Significant Accounting Policies

#### Accounting Policies

The accounting policies of the District conform to accounting principles generally accepted in the United States of America as prescribed by the Governmental Accounting Standards Board and the American Institute of Certified Public Accountants (AICPA).

#### Basis of Accounting

Separate financial statements are provided for the proprietary fund and the agency fund. The proprietary fund financial statements are reported using the *economic resources measurement focus* and the *accrual basis of accounting*. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Property taxes are recognized as revenues in the year for which they are levied. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

The District reports the following major enterprise fund:

The *Sewer Utility Fund* accounts for the activities of the District's sewer operations.

Additionally, the District reports a custodial fund to account for money received by the District as an agent for individuals, other governments and other entities. Specifically, the District accounts for activities of the Assessment District 2007-1 in the custodial fund because the resources of those funds are not available to support the District's own operations. The Pension Trust Fund is a Section 115 Trust, see Note 9 for additional information. The custodial fund is reported using the accrual basis of accounting.

# CARPINTERIA SANITARY DISTRICT

## Notes to Financial Statements June 30, 2024 and 2023

### **Note 2: Summary of Significant Accounting Policies (continued)**

#### Basis of Accounting (continued)

Proprietary funds distinguish operating revenues and expenses from nonoperating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a proprietary fund's principal ongoing operations. The principal operating revenues of the District's enterprise fund are charges to customers for sales and services. Operating expenses for the enterprise fund include the cost of sales and services, administrative expenses, and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as nonoperating revenues and expenses.

When both restricted and unrestricted resources are available for use, it is the District's policy to use restricted resources first, then unrestricted resources as they are needed.

#### Budget

The District prepares an annual budget which estimates major sources of revenue to be received during the fiscal year, as well as estimated expenditures needed for operation of District facilities.

#### Cash, Cash Equivalents and Investments

The District's cash and cash equivalents are considered to be cash on hand, demand deposits, and short-term investments with original maturities of three months or less from the date of acquisition.

Investments of the District are reported at fair value.

#### Capital Assets

Capital assets, which include property, plant, equipment, and infrastructure assets, are reported in the District's enterprise fund. Capital assets are defined by the District as assets with an initial, individual cost of more than \$10,000 and an estimated useful life in excess of one year.

As the District constructs or acquires additional capital assets each period, they are capitalized and reported at historical cost. The reported value excludes normal maintenance and repairs which are essentially amounts spent in relation to capital assets that do not increase the capacity or efficiency of the item or extend its useful life beyond the original estimate. In the case of donations, the District values these capital assets at acquisition value of the item at the date of its donation.

Construction in Progress - The District occasionally constructs capital assets for its own use in the plant operations and within its sewer collection system. The costs associated with these projects are accumulated in a construction in progress account while the project is being developed. Once the project is completed, the entire cost of the constructed assets are transferred to the capital assets account and depreciated over the estimated useful life of the capital assets.

# CARPINTERIA SANITARY DISTRICT

## Notes to Financial Statements June 30, 2024 and 2023

### Note 2: Summary of Significant Accounting Policies (continued)

#### Capital Assets (continued)

Capital assets are depreciated over their estimated useful lives (ranging from 5-75 years) under the straight-line method of depreciation according to the following schedule:

Office Furniture	5 years
Pumping and Filters	15 years
Treatment Plant Structures	40 years
Meters, Manholes, Trunk Lines	50 years
Ocean Outfall Lines	75 years

#### Inventory and Prepaid Items

Inventory is valued at cost (first-in, first-out) and consist of expendable supplies. The cost of such inventories are recorded as expenses when consumed rather than when purchased.

Certain payments to vendors reflect costs applicable to future accounting periods and are recorded as prepaid items in the financial statements. The cost of prepaid items is recorded as expenses when consumed rather than when purchased.

#### Compensated Absences

Employees are entitled to accumulate up to 60 working days of sick leave, at the rate of eight hours per month. There is no liability for unpaid accumulated sick leave since the District does not have a policy to pay any amounts when employees separate from service with the District.

Employees are also entitled to accumulate vacation leave at a rate of two to four weeks per year, depending on the number of years of service completed. Such accumulated leave cannot exceed two and one-half times the employees' annual entitlement. All vacation pay is accrued when incurred in the financial statements.

#### Property Taxes

Property taxes in the State of California are administered for all local agencies at the county level and consist of secured, unsecured, and utility tax rolls. The following is a summary of major policies and practices relating to property taxes:

# CARPINTERIA SANITARY DISTRICT

## Notes to Financial Statements June 30, 2024 and 2023

### Note 2: Summary of Significant Accounting Policies (continued)

#### Property Taxes (continued)

Property taxes are assessed and collected each fiscal year according to the following property tax calendar:

Lien Date	March 1	
Levy Year	July 1 to June 30	
Due Dates	November 1	1 <sup>st</sup> Installment
	February 1	2 <sup>nd</sup> Installment
Delinquent Dates	December 10	1 <sup>st</sup> Installment
	April 10	2 <sup>nd</sup> Installment

Under California law, property taxes are assessed and collected by counties up to 1% of assessed value, plus other increases approved by voters. Property tax revenues are pooled and then allocated to cities and districts based on complex formulas prescribed by state statutes.

During the fiscal year ended June 30, 1994, the District adopted the “Teeter Plan” as described in the Revenue and Taxation Code. Under this plan, the District is guaranteed 99.6% of the secured property taxes each year. The District is also assured of receiving 95% of the unsecured property taxes for each fiscal year by July 31 of the following fiscal year. The remaining 5% is placed in a Tax Loss Reserve Fund which will be used to offset future tax sale losses incurred by the County. Additionally, the District is assured of receiving 100% of its sewer service charges for each fiscal year by July 31 of the following year.

In 2014, the District installed a low-pressure sewer system to serve 35 residential parcels located in Ventura County. Sewer service charges for these customers are billed through the Ventura County property tax system, although payment is not guaranteed by a “Teeter Plan” as it is in Santa Barbara County.

#### Sewer Service Charges

The District’s Sewer Service Charges (SSC) are determined pursuant to District Ordinance No. 17, which was developed and adopted based on a comprehensive wastewater rate and fee study in fiscal year 2021/22. The SSC established a series of 3.0% increases for five years commencing fiscal year 2022/23. The residential SSC’s are based on a flat rate and non-residential SSC’s are based on water usage and wastewater characteristics. Additionally, the non-residential rate includes a minimum charge of one equivalent residential dwelling unit (EDU) per parcel. The EDU rate for fiscal years 2023/24 and 2022/23 was \$777.37 and \$754.72, respectively.

The District collects Sewer Service Charges from users via the Santa Barbara County and Ventura County assessor’s tax rolls.

# CARPINTERIA SANITARY DISTRICT

## Notes to Financial Statements June 30, 2024 and 2023

### Note 2: Summary of Significant Accounting Policies (continued)

#### Long-Term Liabilities

In the proprietary fund financial statements, long-term debt and other long-term obligations are reported as liabilities in the Statement of Net Position. Bond gain and losses on refunding are deferred and amortized over the life of the bonds using the effective interest method.

#### Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America, as prescribed by the GASB and the AICPA, requires management to make estimates and assumptions that affect the reported amounts of assets, deferred outflows of resources, liabilities, deferred inflows of resources, and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reported period.

Significant estimates used in preparing these financial statements include useful lives of capitalized assets, investments, and net pension liability. It is at least reasonably possible that the significant estimates used will change within the next year.

#### Deferred Outflows/Inflows of Resources

In addition to assets, the Statement of Financial Position will sometimes report a separate section for deferred outflows of resources. This separate financial statement element, *deferred outflows of resources*, represents a consumption of net position that applies to a future period(s) and so will *not* be recognized as an outflow of resources (expense/expenditure) until then. The District has deferred outflow of resources relating to pension benefits.

In addition to liabilities, the Statement of Financial Position will sometimes report a separate section for deferred inflows of resources. This separate financial statement element, *deferred inflows of resources*, represents an acquisition of net position that applies to a future period(s) and so will *not* be recognized as an inflow of resources (revenue) until that time. The government has a deferred gain on refunding resulting from the difference in the carrying value of the refunded debt and its reacquisition price. This amount is deferred and amortized over the shorter of the life of the refunded or refunding debt. The District also has deferred inflows of resources relating to pension benefits that will be recognized in pension expense in future periods.

#### Net Position

GASB No. 63 requires that the difference between assets, deferred outflows of resources, liabilities, and deferred inflows of resources be reported as net position. Net position is classified as either net investment in capital assets, restricted, or unrestricted. Net position classified as net investment in capital assets consists of capital assets, net of accumulated depreciation and reduced by the outstanding principal of related debt.

# CARPINTERIA SANITARY DISTRICT

## Notes to Financial Statements June 30, 2024 and 2023

### Note 2: Summary of Significant Accounting Policies (continued)

#### Net Position (continued)

Restricted net position is the net position that has external constraints placed on them by creditors, grantors, contributors, laws, or regulations of other governments, or through constitutional provisions, or enabling legislation.

Unrestricted net position consists of net position that does not meet the definition of net investment in capital assets or restricted net position.

#### Pensions

For purposes of measuring the net pension liability, deferred outflows/inflows of resources related to pensions, and pension expense, information about the fiduciary net position of Carpinteria Sanitary District's California Employees' Retirement System (CalPERS) plan (Plan) and additions to/deductions from the Plan's fiduciary net position have been determined on the same basis as they are reported by CalPERS. For this purpose, benefit payments (including refunds of employee contributions) are recognized when due and payable in accordance with the benefit terms. Investments are reported at fair value.

#### **Leases**

For the years ended June 30, 2024 and 2023, the District implemented Governmental Accounting Standards Board (GASB) Pronouncement 87 *Leases*. The impact was minimal since the District does not have any arrangements that meet the conditions to be recorded as a lease.

#### New Accounting Pronouncements

The following table presents Governmental Accounting Standards Board (GASB) Pronouncements that will be implemented in upcoming years.

<b>GASB Statement Number</b>	<b>Official Title</b>	<b>Effective Fiscal Year Ended</b>
101	<i>Compensated Absences</i>	June 30, 2025
102	<i>Certain Risk Disclosures</i>	June 30, 2025
103	<i>Financial Reporting Model Improvements</i>	June 30, 2026

# CARPINTERIA SANITARY DISTRICT

## Notes to Financial Statements June 30, 2024 and 2023

### Note 3: Cash and Investments

Cash and Investments as of June 30, 2024 and June 30, 2023 are classified in the accompanying financial statements as follows:

	2024	2023
Statement of Net Position-Enterprise Fund		
Cash on hand	\$ 200	\$ 200
Deposits with financial institutions	265,341	484,591
Investments in LAIF	13,597,310	12,775,005
Cash at County	1,966	1,966
Cash with Fiscal Agent	6,177	6,177
Total Enterprise fund	13,870,994	13,267,939
Statements of Net Position-Fiduciary Funds		
Deposits with financial institutions	297,705	343,737
Cash with Fiscal Agent	1,040,938	932,998
Total Fiduciary Funds	1,338,643	1,276,735
	<u>\$ 15,209,637</u>	<u>\$ 14,544,674</u>

Cash and Investments as of June 30, 2024 and June 30, 2023 consist of the following:

	2024	2023
Cash and cash equivalents	\$ 11,372,383	\$ 9,191,138
Cash and cash equivalents-restricted	2,498,611	4,076,801
Cash and cash equivalents Fiduciary funds	1,338,643	1,276,735
	<u>\$ 15,209,637</u>	<u>\$ 14,544,674</u>

### Investments Authorized by the District's Investment Policy

The District's investment policy authorizes investments selected on the basis of credit worthiness, financial strength, experience, and minimal capitalization. The District shall select only licensed brokers and dealers in good standing with the California Department of Securities, the Securities and Exchange Commission, the National Association of Securities Dealers, or other applicable self-regulatory organizations. The District is prohibited from investing in any funds in inverse floaters, range notes, interest-only strips derived from mortgage pools, or any investment which may result in a zero-interest accrual if held to maturity. It is the District policy to diversify its investment portfolio to eliminate the risk of loss resulting from over concentration of assets in a specific maturity, a specific issuer, or a specific class of securities.

# CARPINTERIA SANITARY DISTRICT

## Notes to Financial Statements June 30, 2024 and 2023

### Note 3: Cash and Investments (continued)

#### Investments Authorized by the District's Investment Policy (continued)

The primary objectives of the District's investment activities in priority order are: safety, liquidity, and return on investments. Investments shall be chosen with judgement and care, considering the probable safety of their capital as well as the probable income to be derived. Although the District has pre-authorized investment categories per Resolution No. R-330, the only investments in practice are those in the local government investment pool administered by the State of California Local Agency Investment Fund (LAIF) and the Santa Barbara County Investment Pool.

#### Investments Authorized by the District Section 115 Trust (the Trust)

Investments of the Trust are governed by the provisions of the District's Section 115 Trust Agreement rather than the general provisions of the District's investment policy, but are invested in accordance with the California Government Code.

#### Investments Authorized by Debt Agreements

Investment of debt proceeds held by bond trustees are governed by the provisions of the debt agreements rather than the general provisions of the California Government Code or the District's investment policy. The table below identifies the investment types that are authorized for investments held by bond trustees. The table also identifies certain provisions of these debt agreements that address interest rate risk, credit risk, and concentration of credit risk.

Authorized Investment Type	Maximum Maturity	Maximum Percentage of Portfolio	Maximum Investment One Issuer
Local Agency Investment Fund (LAIF)	N/A	None	None
Santa Barbara County Investment Pool	N/A	None	None
Money Market Mutual Funds	N/A	None	None

#### Disclosures Relating to Interest Rate Risk

Interest rate risk is the risk that changes in market interest rates will adversely affect the fair value of an investment. Generally, the longer the maturity of an investment, the greater the sensitivity of its fair value to changes in market rates. The District's investment policy does not contain any specific provisions intended to limit the District's exposure to interest rate risk, credit risk, and concentration of credit risk. One of the ways that the District manages its exposure to interest rate risk is by purchasing a combination of short term and long-term investments and by timing cash flows from maturities so that a portion of the portfolio is maturing or coming close to maturity evenly over time as necessary to provide the cash flow and liquidity needed for operations.

# CARPINTERIA SANITARY DISTRICT

## Notes to Financial Statements June 30, 2024 and 2023

### Note 3: Cash and Investments (continued)

#### Disclosures Relating to Interest Rate Risk (continued)

Information about the sensitivity of the fair values of the District's investments to market interest rate fluctuations is provided by the following table that shows the distribution of the District's investments by maturity as of June 30, 2024 and 2023:

<b>June 30, 2024</b>		Remaining Maturity (in Months)		
Investment Type	Carrying Amount	12 Months or Less	13 to 24 Months	25 to 60 Months
LAIF	\$13,597,310	\$13,597,310	\$ -	\$ -
Mutual Funds	881,710	881,710	-	-
Investments with Fiscal Agent:				
LAIF	159,228	159,228	-	-
Money Market	6,177	6,177	-	-
Total	<u>\$14,644,425</u>	<u>\$14,644,425</u>	<u>\$ -</u>	<u>\$ -</u>

<b>June 30, 2023</b>		Remaining Maturity (in Months)		
Investment Type	Carrying Amount	12 Months or Less	13 to 24 Months	25 to 60 Months
LAIF	\$12,775,005	\$12,775,005	\$ -	\$ -
Mutual Funds	781,410	781,410	-	-
Investments with Fiscal Agent:				
LAIF	151,588	151,588	-	-
Money Market	6,177	6,177	-	-
Total	<u>\$13,714,180</u>	<u>\$13,714,180</u>	<u>\$ -</u>	<u>\$ -</u>

# CARPINTERIA SANITARY DISTRICT

## Notes to Financial Statements June 30, 2024 and 2023

### Note 3: Cash and Investments (continued)

#### Disclosures Relating to Credit Risk

Generally, credit risk is the risk that an issuer of an investment will not fulfill its obligation to the holder of the investment. This is measured by the assignment of a rating by a nationally recognized statistical rating organization. Presented below is the minimum rating required by the California Government Code and the District's investment policy, and the actual rating as of June 30, 2024 and 2023 for each investment type.

#### June 30, 2024

Investment Type	Carrying Amount	Minimum Legal Rating	Exempt from Disclosure	Ratings as of Year End		
				AAA	Aa	Not Rated
LAIF	\$13,597,310	N/A	\$ -	\$ -	\$ -	\$13,597,310
Mutual Funds	881,710	N/A	-	-	-	881,710
Investments with Fiscal Agent:						
LAIF	159,228	N/A	-	-	-	159,228
Money Market	6,177	N/A	-	-	-	6,177
Total	<u>\$14,644,425</u>		<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$14,644,425</u>

#### June 30, 2023

Investment Type	Carrying Amount	Minimum Legal Rating	Exempt from Disclosure	Ratings as of Year End		
				AAA	Aa	Not Rated
LAIF	\$12,775,005	N/A	\$ -	\$ -	\$ -	\$12,775,005
Mutual Funds	781,410	N/A	-	-	-	781,410
Investments with Fiscal Agent:						
LAIF	151,588	N/A	-	-	-	151,588
Money Market	6,177	N/A	-	-	-	6,177
Total	<u>\$13,714,180</u>		<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$13,714,180</u>

#### Concentration of Credit Risk

The investment policy of the District contains no limitation on the amount that can be invested in any one issuer beyond that stipulated by the California Government Code. There are no investments in any one issuer (other than U.S. Treasury securities, mutual funds and external investment pools) that represent 5% or more of total District investments.

# CARPINTERIA SANITARY DISTRICT

## Notes to Financial Statements June 30, 2024 and 2023

### Note 3: Cash and Investments (continued)

#### Custodial Credit Risk

The custodial credit risk for *deposits* is the risk that, in the event of the failure of a depository financial institution, a government will not be able to recover its deposits or will not be able to recover collateral securities that are in the possession of an outside party.

The California Government Code and the District's investment policy do not contain legal or policy requirements that would limit the exposure to custodial credit risk for deposits, other than the following provision for deposits: The California Government Code requires that a financial institution secure deposits made by state or local governmental units by pledging securities in an undivided collateral pool held by a depository regulated under state law (unless so waived by the governmental unit). The fair value of the pledged securities in the collateral pool must equal at least 110% of the total amount deposited by the public agencies. California law also allows financial institutions to secure the District's deposits by pledging first trust deed mortgage notes having a value of 150% of the secured public deposits.

As of June 30, 2024, and June 30, 2023, the District had deposits with financial institutions in excess of federal depository insurance limits of \$63,046 and \$328,328, respectfully, held in collateralized accounts.

#### Investments with Fiscal Agent - Restricted Assets

Investments held and invested by fiscal agents on behalf of the District are pledged for payment or security of certain long-term debt issuances and construction projects. Fiscal agents are mandated by bond indentures as to the types of investments in which debt proceeds can be invested. The investments predominately consist of Governments securities which are held in book entry form by the trustee.

#### Investment in State Investment Pool

The District is a voluntary participant in the Local Agency Investment Fund (LAIF) that is regulated by the California Government Code under the oversight of the Treasurer of the State of California. The fair value of the District's investment in this pool is reported in the accompanying financial statements at the amounts based upon the District's pro-rata share of the fair value provided by LAIF for the entire LAIF portfolio (in relation to the amortized cost of that portfolio). The balance available for withdrawal is based on the accounting records maintained by LAIF, which are recorded on an amortized cost basis.

# CARPINTERIA SANITARY DISTRICT

## Notes to Financial Statements June 30, 2024 and 2023

### Note 3: Cash and Investments (continued)

#### Investment in State Investment Pool (continued)

All temporary investments are with the LAIF administered by the State Treasurer's Office. The average annual yield of LAIF for the years ended June 30, 2024 and 2023 was 3.31% and 2.17%, respectively. The estimated amortized cost and fair value of the LAIF Pool at June 30, 2024 was \$178,040,738,100 and \$177,045,532,802 at June 30, 2023. The District's share of the Pool at June 30, 2024 and June 30, 2023 was approximately 0.008171% and 0.007162%, respectively.

The LAIF is a special fund of the California State Treasury through which local governments may pool investments. Each district may invest up to \$75,000,000 in the fund. Investments in LAIF are highly liquid, as deposits can be converted to cash within twenty-four hours without loss of interest. Investments in LAIF are secured by the full faith and credit of the State of California.

Included in LAIF's investment portfolio are certain derivative securities or similar products in the form of structured notes and asset-backed securities totaling \$5,341,222,143 for June 30, 2024 and \$4,959,042,070 for June 30, 2023. LAIF's (and the District's) exposure to risk (credit, market or legal) is not currently available.

### Note 4: Fair Value Measurements

Governmental Accounting Standards Board (GASB) Statement No. 72, *Fair Value Measurements and Application*, provides the framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value with Level 1 given the highest priority and Level 3 the lowest priority. The three levels of the fair value hierarchy are as follows:

*Level 1* inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the organization has the ability to access at the measurement date.

*Level 2* inputs are inputs other than quoted prices included within *Level 1* that are observable for the asset or liability, either directly or indirectly. *Level 2* inputs include the following:

Quoted prices for similar assets or liabilities in active markets.

Quoted prices for identical or similar assets or liabilities in markets that are not active.

Inputs other than quoted prices that are observable for the asset or liability (for example, interest rates and yield curves observable at commonly quoted intervals, volatilities, prepayment speeds, loss severities, credit risks, and default rates).

Inputs that are derived principally from or corroborated by observable market data by correlation or other means (market-corroborated inputs).

*Level 3* inputs are unobservable inputs for the asset or liability.

# CARPINTERIA SANITARY DISTRICT

## Notes to Financial Statements June 30, 2024 and 2023

### Note 4: Fair Value Measurements (continued)

Fair value of assets measured on a recurring basis at June 30, 2024 and 2023, are as follows:

#### June 30, 2024

<u>Investment Type</u>	<u>Carrying Amount</u>	<u>Uncategorized</u>
LAIF	\$ 13,597,310	\$ 13,597,310
Mutual Funds	881,710	881,710
Investments with Fiscal Agent:		
LAIF	159,228	159,228
Money Market	6,177	6,177
Total	<u>\$ 14,644,425</u>	<u>\$ 14,644,425</u>

#### June 30, 2023

<u>Investment Type</u>	<u>Carrying Amount</u>	<u>Uncategorized</u>
LAIF	\$ 12,775,005	\$ 12,775,005
Mutual Funds	781,410	781,410
Investments with Fiscal Agent:		
LAIF	151,588	151,588
Money Market	6,177	6,177
Total	<u>\$ 13,714,180</u>	<u>\$ 13,714,180</u>

Investments do not fall under the fair value hierarchy (i.e., uncategorized) as there is no active market for the investments.

# CARPINTERIA SANITARY DISTRICT

## Notes to Financial Statements June 30, 2024 and 2023

### Note 5: Restricted Assets

Certain proceeds of the enterprise fund revenue bonds and Assessment District Bonds are classified as restricted assets on the Statement of Net Position because their uses are limited by applicable bond covenants. For the fiscal year ended June 30, 2024, the following amounts are restricted:

#### June 30, 2024

##### Propriety Fund

###### Construction Fund:

Cash and investments restricted for the  
District's Construction Activities

<u>Fair Value</u>	<u>Uncategorized</u>

## Notes to Financial Statements June 30, 2024 and 2023

### Note 7: Long-Term Debt (continued)

#### 2012 Wastewater Revenue Bonds

In December 2012, the District issued \$13,630,000 in 2012 Wastewater Revenue Bonds with payments due in annual installments of \$135,000 to \$1,050,000 beginning August 1, 2013 and continuing through August 1, 2042. The bonds bear interest varying from 2.00% to 5.00%. The bonds are to provide financing for the construction of capital assets for the District and to refund the prior bonds. Principal and interest on the bonds are payable February 1<sup>st</sup> and August 1<sup>st</sup> of each year.

#### Direct Borrowing - Loan Payable

On December 1, 2020, the District entered into a loan agreement with JPMorgan Chase Bank, N.A. in the amount of \$4,000,000, bearing 1.77% interest to finance the replacement of the District's Administration Building. Annual principal payments through August 1, 2035 range from \$227,000 to \$302,000, paid semi-annually. In the event of default, any outstanding amounts could be declared immediately due. Principal and interest on the loan are payable February 1<sup>st</sup> and August 1<sup>st</sup> of each year. The balance of the loan was \$3,289,000 at June 30, 2024 and \$3,533,000 as at June 30, 2023.

The annual requirements to amortize the 2012 revenue bonds and the Loan Payable are as follows:

Year Ending June 30	Principal	Interest	Total
2025	\$ 1,248,000	\$ 219,554	\$ 1,467,554
2026	1,303,000	162,879	1,465,879
2027	392,000	149,083	541,083
2028	407,000	138,774	545,774
2029	416,000	129,535	545,535
2030-2034	2,205,000	504,817	2,709,817
2035-2039	1,548,000	254,642	1,802,642
2040-2043	890,000	50,721	940,721
	<u>\$ 8,409,000</u>	<u>\$ 1,610,005</u>	<u>\$ 10,019,005</u>

#### Revenues Pledged

The District has pledged a portion of future sewer revenues and a portion of investment earnings to repay the District's Wastewater Revenue Series 2012. The District's Bonds are payable solely from sewer revenues and a portion of investment earnings. Total principal and interest remaining on the Wastewater Bonds are \$6,410,345, payable through fiscal year 2043. For the current year, principal and interest paid by the sewer revenues and investment earnings were \$950,000 and \$207,210.

### Note 8: Compensated Absences

The following is a summary of the activity in Compensated Absences for the years ended June 30, 2024 and 2023:

<u>Fiscal Year Ended</u>	<u>Beginning of Fiscal Year</u>	<u>Additions</u>	<u>Usage</u>	<u>End of Fiscal Year</u>	<u>Due within 60 Days</u>	<u>Long Term Portion</u>
June 30, 2024	\$ 163,964	\$ -	\$ (4,237)	\$ 159,727	\$ 25,210	\$ 134,517
June 30, 2023	\$ 144,536	\$ 19,428	\$ -	\$ 163,964	\$ 25,210	\$ 138,754

### Note 9: Defined Benefit Pension Plan

#### General Information about the Pension Plan

**Plan Description** – All full-time employees are eligible to participate in the Carpinteria Sanitary District’s Miscellaneous Employee Pension Plan (the “Plan”), a cost-sharing multiple-employer defined benefit pension plan administered by the California Public Employees’ Retirement System (CalPERS). Individual employers may sponsor more than one rate plan in the miscellaneous risk pool. The District sponsors two miscellaneous rate plans. Benefit provisions under the Plan are established by State statute and local government resolution. CalPERS issues publicly available reports that include a full description of the pension plans regarding benefit provisions, assumptions and membership information that can be found on the CalPERS website. Eligible employees hired after January 1, 2013 that are considered new members as defined by the Public Employees’ Pension Reform Act (PEPRA) are participating in the PEPRA Miscellaneous Plan.

**Benefits Provided** – CalPERS, provides service retirement and disability benefits, annual cost of living adjustments and death benefits to plan members, who must be public employees and beneficiaries. Benefits are based on years of credited service as discussed above. Members with five years of total service are eligible to retire at age 50 or 52 if in the PEPRA Miscellaneous Plan with statutorily reduced benefits. An optional benefit regarding sick leave was adopted. Any unused sick leave accumulates at the time of retirement will be converted to credited service at a rate of 0.004 years of service for each day of sick leave. All members are eligible for non-duty disability benefits after 10 years of service. The system also provides for the Optional Settlement 2W Death Benefit, as well as the 1959 Survivor Benefit. The cost-of-living adjustments for all plans are applied as specified by the Public Employees’ Retirement Law.

## Notes to Financial Statements June 30, 2024 and 2023

### **Note 9: Defined Benefit Pension Plan (continued)**

#### General Information about the Pension Plan (continued)

The rate plan provisions and benefits in effect at June 30, 2024 and 2023 are summarized as follows:

	<u>Miscellaneous Plan</u>	
	<u>Prior to January 1, 2013</u>	<u>On or after January 1, 2013</u>
Hire date		
Benefit formula	2% @ 55	2% @ 62
Benefit vesting schedule	5 years of service	5 years of service
Benefit payments	Monthly for life	Monthly for life
Retirement age	50 - 63	52 - 63
Monthly benefits, as a % of eligible compensation	1.4% to 2.4%	1.0 % to 2.5%
Required employee contribution rates	8%	6.75%
Required employer contribution rates:		
2024	10.870%	7.470%
2023	10.870%	7.470%

**Contributions** – Section 20814(c) of the California Public Employees’ Retirement Law requires that the employer contribution rates for all public employers be determined on an annual basis by the actuary and shall be effective on the July 1 following notice of a change in the rate. Funding contributions for both Plans are determined annually on an actuarial basis as of June 30 by CalPERS. The actuarially determined rate is the estimated amount necessary to finance the costs of benefits earned by employees during the year, with an additional amount to finance any unfunded accrued liability. Carpinteria Sanitary District is required to contribute the difference between the actuarially determined rate and the contribution rate of employees.

The contributions to the Plan for the year ended June 30, 2024 and 2023 were \$504,505 and \$480,135, respectively.

#### Pension Liabilities, Pension Expenses and Deferred Outflows/Inflows of Resources Related to Pensions

As of June 30, 2024, and 2023, the District reported net pension liabilities for its proportionate shares of the net pension liability of the Plan as follows:

	<u>Proportionate Share of Net Pension Liability</u>	
	<u>2024</u>	<u>2023</u>
Miscellaneous	3,306,071	3,070,008

# CARPINTERIA SANITARY DISTRICT

## Notes to Financial Statements June 30, 2024 and 2023

### Note 9: Defined Benefit Pension Plan (continued)

#### Pension Liabilities, Pension Expenses and Deferred Outflows/Inflows of Resources Related to Pensions (continued)

The District's net pension liability is measured as the proportionate share of the net pension liability. The net pension liability of the Plan is measured as of June 30, 2024, and the total pension liability for the Plan used to calculate the net pension liability was determined by an actuarial valuation as of June 30, 2023 rolled forward to June 30, 2024 using standard update procedures.

The District's proportion of the net pension liability was based on a projection of their long-term share of contributions to the pension plans relative to the projected contributions of all participating employers, actuarially determined. The District's proportionate share of the net pension liability for the Plan as of June 30, 2024 and 2023 was as follows:

June 30, 2024		June 30, 2023	
	<u>Miscellaneous</u>		<u>Miscellaneous</u>
Proportion - June 30, 2023	0.06561%	Proportion - June 30, 2022	0.07119%
Proportion - June 30, 2024	0.06612%	Proportion - June 30, 2023	0.06561%
Change - Increase (Decrease)	0.00051%	Change - Increase (Decrease)	-0.00558%

For the years ended June 30, 2024 and June 30, 2023, the District recognized pension expense of \$379,997 and \$716,862, respectively.

At June 30, 2024, the District reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

	<u>June 30, 2024</u>	
	<u>Deferred Outflows of Resources</u>	<u>Deferred Inflows of Resources</u>
Changes in assumptions	\$ 199,605	\$ -
Differences between expected and actual experience	168,892	26,199
Net differences between projected and actual earnings on plan investments	535,283	-
Difference between employer's contributions and employer's proportionate share of contributions	39,967	18,873
Changes in employer's proportion	26,855	18,511
Pension contributions subsequent to measurement date	504,505	-
Total	<u>\$ 1,475,107</u>	<u>\$ 63,583</u>

# CARPINTERIA SANITARY DISTRICT

## Notes to Financial Statements June 30, 2024 and 2023

### Note 9: Defined Benefit Pension Plan (continued)

#### Pension Liabilities, Pension Expenses and Deferred Outflows/Inflows of Resources Related to Pensions (continued)

At June 30, 2023, the District reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

	June 30, 2023	
	Deferred Outflows of Resources	Deferred Inflows of Resources
Changes in assumptions	\$ 314,586	\$ -
Differences between expected and actual experience	61,652	41,292
Net differences between projected and actual earnings on plan investments	562,344	-
Difference between employer's contributions and employer's proportionate share of contributions	20,882	385,122
Changes in employer's proportion	48,763	29,400
Pension contributions subsequent to measurement date	480,135	-
Total	<u>\$ 1,488,362</u>	<u>\$ 455,814</u>

At June 30, 2023, \$504,505 was reported as deferred outflows of resources related to contributions subsequent to the measurement date and was be recognized as a reduction of the net pension liability in the year ended June 30, 2024. Similarly, at June 30, 2022, \$480,135 was reported as deferred outflows of resources related to contributions subsequent to the measurement date that has been recognized as a reduction of the net pension liability in the year ended June 30, 2023.

Other amounts reported as deferred outflows of resources and deferred inflow of resources related to pensions will be recognized as pension expense as follows:

<u>Fiscal Year Ended June 30</u>	<u>Total</u>
2025	\$ 289,999
2026	184,327
2027	417,330
2029	15,359
Thereafter	-
	<u>\$ 907,015</u>

# CARPINTERIA SANITARY DISTRICT

## Notes to Financial Statements June 30, 2024 and 2023

### Note 9: Defined Benefit Pension Plan (continued)

#### Pension Liabilities, Pension Expenses and Deferred Outflows/Inflows of Resources Related to Pensions (continued)

**Actuarial Assumptions** – The total pension liabilities in the June 30, 2023 actuarial valuations were determined using the following actuarial assumptions:

	Miscellaneous
Valuation date	June 30, 2022
Measurement date	June 30, 2023
Actuarial cost method	Entry Age Normal Cost Method
Actuarial assumptions:	
Discount rate	6.90%
Inflation	2.30%
Payroll growth	3.00%
Projected salary increase	Varies by entry age and service (1)
Investment rate of return	6.90% (2)
Mortality	CalPERS Membership Data(3)
Post-Retirement Benefit Increase	Contract COLA up to 2.0% until Purchasing Power Protection Allowance Floor on Purchasing Power applies, 2.50% thereafter

(1) Depending on age, service and type of employment

(2) Net of pension plan investment expenses, including inflation

(3) The mortality table used was developed based on CalPERS-specific data. The table includes 15 years of mortality improvements using the Society of Actuaries Scale 90% of scale MP 2016. For more details on this table, please refer to the December 2017 experience study report (based on CalPERS demographic data from 1997 to 2015) that can be found on the CalPERS website

The underlying mortality assumptions and all other actuarial assumptions used in the June 30, 2021 valuation were based on the results of a December 2017 actuarial experience study for the period 1997 to 2015. Further details of the experience study can be found on the CalPERS website.

**Discount Rate** – The discount rate used to measure the total pension liability was 6.90% for all Plans. To determine whether the municipal bond rate should be used in the calculation of a discount rate for all plans, CalPERS stress tested plans that would most likely result in a discount rate that would be different from the actuarially assumed discount rate. Based on the testing, none of the tested plans run out of assets. Therefore, the current 7.15% discount rate is adequate and the use of the municipal bond rate calculation is not necessary. The long term expected discount rate of 6.90% will be applied to all plans in the Public Employees Retirement Fund (PERF). The stress test results are presented in a detailed report that can be obtained from the CalPERS website.

# CARPINTERIA SANITARY DISTRICT

## Notes to Financial Statements June 30, 2024 and 2023

### Note 9: Defined Benefit Pension Plan (continued)

#### Pension Liabilities, Pension Expenses and Deferred Outflows/Inflows of Resources Related to Pensions (continued)

**Discount Rate (continued)** – According to Paragraph 30 of Statement 68, the long-term discount rate should be determined without reduction for pension plan administrator expense. The 6.90% investment return assumption used in this accounting valuation is net of administrative expenses. Administrative expenses are assumed to be 15 basis points. An investment return excluding administrative expenses would have been 6.92%. Using this lower discount rate has resulted in a slightly higher Total Pension Liability and Net Pension Liability. CalPERS checked the materiality threshold for the difference in calculation and did not find it to be a material difference.

CalPERS is scheduled to review all actuarial assumptions as part of its regular Asset Liability Management (ALM) review cycle that is scheduled to be completed in February 2023. Any changes to the discount rate will require Board action and proper stakeholder outreach. For these reasons, CalPERS expects to continue using a discount rate net of administrative expenses for GASB 67 and 68 calculations through at least 2020-21 fiscal year. CalPERS will continue to check the materiality of the difference in calculation until such time as it has changed its methodology.

The long-term expected rate of return on pension plan investments was determined using a building-block method in which expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class.

In determining the long-term expected rate of return, CalPERS took into account both short-term and long-term market return expectations as well as the expected pension fund cash flows. Using historical returns of all the funds' asset classes, expected compound (geometric) returns were calculated over the short-term (first 10 years) and the long-term (11+ years) using a building-block approach. Using the expected nominal returns for both short-term and long-term, the present value of benefits was calculated for each fund. The expected rate of return was set by calculating the rounded single equivalent expected return that arrived at the same present value of benefits for cash flows as the one calculated using both short-term and long-term returns. The expected rate of return was then set equal to the single equivalent rate calculated above and adjusted to account for assumed administration expenses.

# CARPINTERIA SANITARY DISTRICT

## Notes to Financial Statements June 30, 2024 and 2023

### Note 9: Defined Benefit Pension Plan (continued)

#### Pension Liabilities, Pension Expenses and Deferred Outflows/Inflows of Resources Related to Pensions (continued)

**Discount rate (continued)** – The expected real rates of return by asset class are as followed.

Asset Class	Assumed Asset Allocation	Real Return Years 1 - 10 (1,2)
Global Equity - cap-weighted	30.00%	4.54%
Global Equity - non-cap-weighted	12.00%	3.84%
Private Equity	13.00%	7.28%
Treasury	5.00%	0.27%
Mortgage-backed Securities	5.00%	0.50%
Investment Grade Corporates	10.00%	1.56%
High Yield	5.00%	2.27%
Emerging Market Debt	5.00%	2.48%
Private Debt	5.00%	3.57%
Real Assets	15.00%	3.21%
Leverage	-5.00%	-0.59%

(1) An expected inflation of 2.30% used for this period.

(2) Figures are based on the 2021-22 Asset Liability Management study.

**Sensitivity of the Proportionate Share of the Net Pension Liability to Changes in the Discount Rate** – The following presents the District's proportionate share of the net pension liability for all Plans, calculated using the discount rate for all Plans, as well as what the District's proportionate share of the net pension liability would be if it were calculated using a discount rate that is one percentage point lower or one percentage point higher than the current rate:

	Miscellaneous	
	2024	2023
1% Decrease	5.90%	5.90%
Net Pension Liability	\$5,176,732	\$4,852,190
Current Discount Rate	6.90%	6.90%
Net Pension Liability	\$3,306,070	\$3,070,008
1% Increase	7.90%	7.90%
Net Pension Liability	\$1,766,355	\$1,603,713

**Pension Plan Fiduciary Net Position** – Detailed information about the pension plan's fiduciary net position is available in the separately issued CalPERS financial reports.

# CARPINTERIA SANITARY DISTRICT

## Notes to Financial Statements June 30, 2024 and 2023

### **Note 10: Section 115 Trust**

In fiscal year 2019-20, the District Board approved the creation of a Section 115 Trust Agreement with Benefit Trust Company, Trustee, and Keenan and Associates, Trust Administrator. The Section 115 Trust was established as a means to set aside monies to fund the District's pension obligations. Contributions to the Section 115 Trust are irrevocable. The assets are dedicated to providing benefits to plan members and are protected from creditors of the District. The purpose of the creation of the Section 115 Trust was to address the District's pension obligations by accumulating assets to reduce the net pension liability. However, in accordance with generally accepted accounting principles, the assets in the Section 115 Trust are not considered to have present service capacity as plan assets and are therefore considered assets of the District rather than pension plan assets as presented in the Statement of Fiduciary Net Position. Accordingly, the Section 115 Trust's assets are recorded as fiduciary custodial fund in the Statement of Fiduciary Net Position rather than assets of the pension plan during the measurement of the net pension liability. The assets held in trust will be considered pension plan assets at the time they are transferred out of the Trust into the pension plan.

### **Note 11: Commitments**

The Carpinteria Unified School District pays sewer service charges for the Carpinteria High School and the Canalino School based on \$1.00 per the average daily attendance for the school year. It is estimated that this is less than the amount that would normally be billed.

### **Note 12: Risk Management**

The District is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omission; injuries to employees; and natural disasters. The District participates in the liability insurance program organized by the California Sanitation Risk Management Authority (CSRMA). CSRMA is a Joint Powers Authority (JPA) created to provide a self-insurance program to wastewater agencies in the State of California.

CSRMA provides liability, property and workers' compensation insurance for approximately 46 wastewater agencies for losses in excess of the member districts' specified self-insurance retention levels.

Individual claims (and aggregate public liability and property claims) in excess of specified levels are covered by excess insurance policies purchased from commercial carriers. CSRMA is governed by a board composed of members from participating districts. The board controls the operations of CSRMA, including selection of management and approval of operating budgets, independent of any influence by the members beyond their representation on the board. Each member shares surpluses and deficiencies proportionately to its participation in CSRMA. Premiums paid to CSRMA include retrospective adjustments based on actual experience during the period of coverage. Settled claims have been immaterial and no claims liabilities have been reported in these financial statements as of June 30, 2024 and 2023.

# CARPINTERIA SANITARY DISTRICT

## Notes to Financial Statements June 30, 2024 and 2023

### **Note 13: Assessment District Bonds**

In February 2009, the District issued \$6,053,439 in Assessment District No. 2007-1 Limited Obligation Improvement Bonds to finance the acquisition and construction of public sanitary sewer improvements serving property within the Assessment District. The Bonds are secured by assessments levied on parcels within the Assessment District located in parts of Ventura and Santa Barbara Counties. The Bonds are not general obligations of the District. Neither the faith and credit of the District, nor of either county, nor the State or any related political subdivision, is pledged to the payment of the Bonds. Therefore, these Bonds are not reflected as debt in the District's financial statements. In July 2012, the Assessment District bonds were refinanced through the issuance of bonds. As of June 30, 2024 and 2023, the remaining balance on the bonds was \$2,966,493 and \$3,309,000, respectively.

### **Note 14: Contingencies**

#### Litigation

Certain claims, suits and complaints arising in the ordinary course of operation have been filed or are pending against the District. In the opinion of management and counsel, all such matters are adequately covered by insurance, or if not so covered, are without merit or are of such kind, or involved such amounts, as would not have significant effect on the financial position or results of operations of the District if disposed of unfavorably.

### **Note 15: Reimbursements**

For June 30, 2023, the District received \$289,515 in reimbursements from the Federal Emergency Management Agency and State of California Office of Emergency Services (OES) for charges incurred for emergency repairs and construction. No further amounts were received during the year ended June 30, 2024. As of June 30, 2024, the District is still owed \$809,197 in reimbursement funds for the emergency repairs completed in 2022.

### **Note 16: Appropriations Limit**

In November, 1979, the voters of the State of California approved Proposition 4, commonly known as the Gann Initiative. The Proposition created Article XIII B of the State Constitution placing limits on the amount of revenue which can be spent by all entities of government. Prop 4 became effective for the 1980/81 fiscal year, but the formula for calculating the limits was based on the 1978/79 "base year" revenues. In June 1990 the voters approved Prop 111, which provided adjustment formulas for local agencies to utilize in adjusting their annual Appropriations Limit. Prop. 111 required an annual review of Limit calculations. The Appropriations Limits imposed by Propositions 4 and 111 create a restriction on the amount of revenue which may be appropriated in any fiscal year. The Limit is based on actual appropriations during the 1978/79 fiscal year and is increased each year using the growth of population and inflation. Not all revenues are restricted by the Limit, only those which are referred to as "proceeds of taxes."

## Notes to Financial Statements June 30, 2024 and 2023

### Note 16: Appropriations Limit (Continued)

The District's Gann Limit is calculated as follows:

	<u>June 30, 2023</u>	<u>June 30, 2024</u>
Prior Year Appropriation Limit	\$ 4,725,704	\$ 5,047,052
Change in California Per Capita Income	1.0880	1.0520
Change in District's Population	0.9884	0.9880
Change in County Population	0.9816	0.9760
Multiplying Factor		
(Larger of District or County population growth multiplied by income growth)	1.0680	1.0265
New Appropriation Limit	<u>\$ 5,047,052</u>	<u>\$ 5,195,940</u>
Property Tax Collected	<u>684,855</u>	<u>837,858</u>
Under Limit	<u>\$ 4,362,198</u>	<u>\$ 4,358,082</u>

### Note 17: Subsequent Events and Management Review

Subsequent events have been evaluated through February \_\_, 2025, the date the financial statements were available to be issued.

**OTHER REPORTING REQUIRED BY GOVERNMENT AUDITING STANDARDS**

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL  
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF  
FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT  
AUDITING STANDARDS***

Board of Directors  
Carpinteria Sanitary District  
Carpinteria, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the business-type activities and fiduciary funds of Carpinteria Sanitary District, as of and for the year ended June 30, 2024, and the related notes to the financial statements, which collectively comprise Carpinteria Sanitary District basic financial statements, and have issued our report thereon dated February 2025.

**Report on Internal Control over Financial Reporting**

In planning and performing our audit of the financial statements, we considered Carpinteria Sanitary District's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Carpinteria Sanitary District's internal control. Accordingly, we do not express an opinion on the effectiveness of Carpinteria Sanitary District's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements, on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

**Report on Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Carpinteria Sanitary District's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Board of Directors  
Carpinteria Sanitary District  
Carpinteria, California

### **Purpose of This Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the District's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the District's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
