Board of Directors Meeting
General Manager's Status Report

TO: Board of Directors

FROM: Craig Murray, P.E. – General Manager

SUBJECT: General Manager's Status Report

DATE: December 1, 2026

Rate and Fee Study. District management staff attended a kickoff meeting with Raftelis Financial Consultants on November 19th. They had received and reviewed much of the data provided by the District. We are compiling a number of outstanding items, including an updated long range capital plan, per their request. The project schedule is tight given the extended noticing period for a Prop 218 rate hearing and the desire to review rate structure modifications. The Board Personnel Committee will be engaged throughout the study process.

SAMA Meeting Report. I attended the November 18th meeting of the Sanitation Agency Managers Association held at the El Estero Water Resource Center. Jason Johnston of Santa Barbara County EHS spoke on the topic of spill reporting and beach closures. Noah Boland from Heal the Ocean attended the meeting and gave the group an overview of ongoing programs. There was an extended discussion on the impact that may be felt from Arizona's recent prohibition on importing biosolids for land application. This is expected to put pressure on Central Valley composting facilities and will likely drive tipping fees higher in the region. Many agencies currently have expired NPDES permits or WDRs and are operating on administrative extensions.

CAPP Construction Updates. The first concrete pour for the chemical containment structures happened on November 20th. Walls for the waste equalization tank and pure water clearwell will be poured on December 4th. Excavation within the secondary equalization tank area is ongoing, with interior bracing for the shoring system being installed concurrently. Construction of electrical duct banks has commenced as well.

Independent Financial Audit. Fechter & Company delivered the draft FY 25/26 financial statements. Staff is reviewing and we expect to present a draft ACFR to the Board Finance Committee ahead of Board consideration of the final version at their December 15th regular meeting.

Operations Update

System operations updates are as follows:

- The treatment plant is operating well and in full compliance with our NPDES discharge permit. A copy of the plant data sheet is attached for reference.
- Influent flows spiked on November 19th to 1.9 MGD following an overnight storm where 1.92" of rain fell in a relatively short period. Staff is reviewing pump station flows, but there were no high water alarms at any location.
- One of the plant influent pumps experienced a main bearing failure and will be rebuilt by junior Operations staff who attended a detailed training program at Xylem specifically for this type of repair.

- Staff diagnosed a problem with one of the Lift Station No. 1 pumps and successfully replaced two bad contactors.
- We took delivery of the new 6-inch Godwin trailer mounted trash pump. Once we receive the title, register the equipment, and obtain CARB permit, we will put the pump into service.
- The collection system is operating normally with no mainline blockages or other operational issues reported.
- The pilot smoke testing program in the Serena Park neighborhood was a success. Structural defects in one upper lateral were identified, but no illicit connections were found.

Board of Directors Meeting

STAFF REPORT

TO: Board of Directors

FROM: Craig Murray, P.E. - General Manager

SUBJECT: Resolution No. R-393: Electing to be Subject to the Public Employees' Medical and Hospital Care Act at an Equal Amount for Employees and Annuitants

DATE: December 1, 2026

REQUESTED ACTION: Board consideration and adoption of Resolution No. R-393 electing to be subject to the Public Employees' Medical and Hospital Care Act at an equal amount for employees and annuitants.

BACKGROUND: At its November 17, 2026, meeting, the Board of Directors considered the proposed transition to the CalPERS Health Benefits Program, including the associated financial implications and retiree medical obligations. Following its review and discussion, the Board approved the concept of participating in the CalPERS Health Benefits Program and directed staff to proceed with the necessary steps toward implementation.

Adoption of Resolution No. R-393 represents the next step in this process and provides the formal authorization required to establish the District's participation in the Public Employees' Medical and Hospital Care Act (PEMHCA). PEMHCA provides a statutory framework through which California public agencies may offer medical insurance benefits to eligible employees, retirees, and their dependents. Participation in PEMHCA requires formal action by the District's governing board through adoption of a resolution prescribed by CalPERS.

Resolution No. R-393 establishes the District's election to participate in PEMHCA under an equal employer contribution structure for employees and annuitants. Under this structure, the District will establish its employer contribution toward medical coverage at an equal amount for eligible active employees and eligible annuitants, consistent with applicable PEMHCA requirements. The District intends to establish this contribution at the statutory minimum required under PEMHCA, as adjusted annually.

The District's existing policy of providing 100% employer-paid medical premiums for eligible active employees and their dependents is intended to continue. Any supplemental employer-funded benefits necessary to maintain this coverage will be addressed through a separate arrangement, subject to applicable law, CalPERS requirements, and appropriate Board authorization.

Adoption of Resolution No. R-393 represents the formal action necessary to establish the District's participation in the CalPERS Health Benefits Program and provide eligible employees and retirees access to medical coverage under PEMHCA.

RECOMMENDATION: Adopt Resolution No. R-393 Electing to Be Subject to the Public Employees' Medical and Hospital Care Act at an Equal Amount for Employees and Annuitants.

SUGGESTED MOTION: I move that the adopt Board Resolution No. R-393 Electing to Be Subject to the Public Employees' Medical and Hospital Care Act at an Equal Amount for Employees and Annuitants as presented (modified).

RESOLUTION NO. R-393

RESOLUTION OF THE BOARD OF DIRECTORS OF THE CARPINTERIA SANITARY DISTRICT ELECTING TO BE SUBJECT TO THE PUBLIC EMPLOYEES' MEDICAL AND HOSPITAL CARE ACT AT AN EQUAL AMOUNT FOR EMPLOYEES AND ANNUITANTS

WHEREAS, A contracting agency meeting the eligibility requirements set forth in Government Code Section 22920, may obtain health benefit plan(s), as defined under Government Code Section 22777, by submitting a resolution to the Board of Administration of the California Public Employees' Retirement System (the "Board"), and upon approval of such resolution by the Board, become subject to the Public Employees' Medical and Hospital Care Act (the "Act"); and

WHEREAS, Carpinteria Sanitary District is a contracting agency eligible to be subject to the Act under Government Code Section 22920; and

WHEREAS, Government Code Section 22892(a) provides that a contracting agency subject to the Act shall fix the amount of the employer contribution by resolution; and

WHEREAS, Government Code Section 22892(b) provides that the employer contribution shall be an equal amount for both employees and annuitants, but may not be less than the amount prescribed by Section 22892(b) of the Act; and

WHEREAS, Carpinteria Sanitary District desires to obtain for its employees and annuitants the benefit of the Act and to accept the liabilities and obligations of an employer under the Act.

NOW, THEREFORE, be it resolved, by the Board of Directors of the Carpinteria Sanitary District as follows:

1. Carpinteria Sanitary District elects to be subject to the provisions of the Act; and be it further

2. That the employer contribution for each employee or annuitant shall be the amount necessary to pay the full cost of his/her enrollment, including the enrollment of family members, in a health benefits plan up to a maximum of PEMHCA Minimum per month, plus administrative fees and Contingency Reserve Fund assessments; and be it further

3. Carpinteria Sanitary District has fully complied with any and all applicable provisions of Government Code Section 7507 in electing the benefits set forth above; and be it further

4. That the participation of the employees and annuitants of Carpinteria Sanitary District shall be subject to determination of its status as an "agency or instrumentality of the state or political subdivision of a State" that is eligible to participate in a governmental plan within the meaning of Section 414(d) of the Internal Revenue Code, upon publication of final Regulations pursuant to such Section. If it is determined that Carpinteria Sanitary District would not qualify as an agency or instrumentality of the state or political subdivision of a State under such final Regulations, CalPERS may be obligated, and reserves the right to terminate the health coverage of all participants of the employer; and be it further

5. That the executive body appoint and direct, and it does hereby appoint and direct, Kim Garcia, District Administrator / Board Clerk to file with the Board a verified copy of this resolution, and to perform on behalf of Carpinteria Sanitary District all functions required of it under the Act; and be it further

6. That coverage under the Act be effective on February 1, 2027.
